

Global Competency Certificate: Post-Portfolio Requirements

Congratulations! Your Global Portfolio has been approved by your GCP advisor. Your transcript will now bear the indicator that you have earned a Global Competency Certificate from Hingham High School. Your actual certificate will be awarded at the end of your senior year after you have completed all of your global academic requirements, as listed on page 20 of your GCP manual. These requirements include completion of four years of a foreign language and completion of at least two designated globally-focused electives. You are also expected to continue to be an active member of the Global Citizenship Club, fulfill your monthly participation requirements, and attend required meetings.

Failure to complete these requirements will result in revocation of your Global Competency Certificate. Any colleges, universities, or programs to which you have been accepted will be notified of your failure to complete the certificate requirements; your official transcript will also reflect the change.

I understand that if I do not fulfill the remaining requirements of the Global Competency Certificate in the Global Citizenship Program my transcript will no longer reflect my participation in the program. I also understand that colleges, universities, or programs to which I have been accepted will be notified of my failure to complete the requirements.
